Safety Instruction Guide for Redding 35 Whelen Full Length Die Set

Introduction

Thank you for choosing the Redding 35 Whelen Full Length Die Set. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Ensure that the die set is used only by individuals who are familiar with reloading and firearm safety.
- Always follow the manufacturer's instructions and recommendations.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before each use.
- Store the die set in a dry, secure location to prevent unauthorized access and environmental damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using the die set.
- Do not exceed recommended load limits when reloading ammunition.
- Avoid distractions and maintain focus while using the die set.
- Use the die set in a wellventilated area to minimize exposure to fumes and dust.
- Ensure that all tools and equipment used in conjunction with the die set are in good working condition.
- Follow proper procedures for handling and storing ammunition components.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is securely mounted and stable.
- Clean the die set components before installation to remove any manufacturing residues.
- Install the full length sizing die into the press according to the manufacturer's instructions, ensuring it is tightened securely.
- Install the seating die in a similar manner, ensuring proper alignment.

2. Usage

- Adjust the sizing die according to the specifications for the 35 Whelen cartridge.
- Insert the empty cartridge case into the shell holder of the press.
- Pull the handle of the press to size the cartridge case fully.
- For seating bullets, insert the bullet into the case mouth and adjust the seating die to the desired depth.
- Once reloading is complete, inspect each cartridge for proper fit and finish before use.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Redding 35 Whelen Full Length Die Set, please refer to the manufacturer's customer service or website for additional support and information.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding 35 Whelen Full Length Die Set. Thank you for your attention to safety.
