# Safety Instruction Guide for Redding 22 PPC Full Length Die Set

## Introduction

Thank you for choosing the Redding 22 PPC Full Length Die Set. This guide provides essential safety instructions and information to ensure safe and effective use of this product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment and the specific requirements for the Redding 22 PPC Full Length Die Set.
- Always follow the manufacturer's instructions and guidelines.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use. Do not use damaged equipment.
- Use the die set only for its intended purpose. This die set is designed specifically for 22 PPC cartridges.
- Store the die set in a dry, cool place to prevent rust and damage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear safety glasses to protect your eyes from any potential debris during the reloading process.
- Use hearing protection if operating in a loud environment.
- Ensure that your workspace is clean and organized to prevent accidents.
- Never exceed the recommended load data for the 22 PPC cartridge. Always refer to reliable reloading manuals.
- Avoid distractions while reloading to maintain focus and safety.
- Be cautious of any sharp edges on the die set that may cause injury.
- Do not attempt to modify the die set or use it for any purpose other than its intended use.

## Instructions for Installation and Usage

### Installation

#### 1. Prepare Your Workspace

- Ensure your reloading bench is clean and welllit.
- Gather all necessary tools and materials, including the Redding 22 PPC Full Length Die Set and any additional reloading components.

#### 2. Attach the Sizing Die

- Securely attach the full length sizing die to your reloading press according to the manufacturer's instructions.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.

#### 3. Install the Seating Die

- Follow the same procedure to attach the standard seating die to your reloading press.
- Confirm that both dies are securely installed before proceeding.

## Usage

### 1. Sizing Cartridges

- Insert the 22 PPC cartridge into the sizing die and operate the press to resize the cartridge.
- Check the resized cartridge for proper dimensions and fit.

### 2. Seating Bullets

- Place the bullet on the resized cartridge case.
- Use the seating die to properly seat the bullet to the desired depth.

### 3. Final Inspection

- Inspect each completed cartridge for proper assembly and dimensions before use.
- Store completed cartridges in a safe and secure location.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local Redding dealer or visit the official Redding website for additional support and resources.

Thank you for your attention to these safety guidelines. Enjoy reloading with the Redding 22 PPC Full Length Die Set safely and responsibly.
