# Safety Instruction Guide for Redding 6MM PPC Full Length Die Set

## Introduction

Thank you for choosing the Redding 6MM PPC Full Length Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document carefully before use.

## General Safety Guidelines

- Always handle the die set with care to avoid injury or damage.
- Ensure that all components of the die set are in good condition before use.
- Store the die set in a cool, dry place, away from moisture and extreme temperatures.
- Use the die set only for its intended purpose as described in the product specifications.
- Keep the die set out of reach of children and vulnerable individuals.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die set.
- Ensure that the work area is wellventilated and free of clutter.
- Always follow the manufacturer's instructions for setup and operation.
- Do not exceed the recommended load specifications for the die set.
- Be aware of your surroundings and avoid distractions while using the die set.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the die set and inspect all components for damage.
- Refer to the manufacturer's instructions for specific installation steps.
- Securely mount the sizing die and seating die in your reloading press.

### 2. Usage:

- Follow the recommended procedures for resizing and seating bullets.
- Check the die set periodically during use for any signs of wear or malfunction.
- If you encounter any issues, cease use immediately and consult the manufacturer for assistance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set becomes damaged beyond repair, dispose of it in a manner that complies with local waste disposal regulations.
- Do not dispose of used components in regular trash; check for recycling options.
