

DELUXE 3-DIE SETS - REDDING 22-250 REMINGTON 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

DELUXE 3DIE SETS REDDING 22250 REMINGTON

Safety Instruction Guide

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 22250 REMINGTON. This guide provides important safety information and instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the instructions provided.
- Keep the die set and all related tools out of reach of children and vulnerable individuals.
- Always inspect the dies for damage before use. Do not use if any part is damaged or worn.
- Use protective eyewear when handling and operating reloading equipment.
- Store the die set in a dry, safe place when not in use to prevent rust and damage.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- **Handling of Dies:**

- Always handle the dies with care to avoid injury.
- Do not attempt to modify or disassemble the dies.

- **Reloading Process:**

- Ensure that the workspace is clean and free from distractions.
- Use the appropriate cartridge (22250 Remington) for this die set.
- Follow the recommended procedures for resizing, seating, and neck sizing.

- **Ammunition Testing:**

- Test ammunition in a safe and controlled environment.
- Always ensure the firearm is pointed in a safe direction during testing.

- **Heat and Chemicals:**

- Avoid exposure to extreme heat and chemicals that may damage the dies.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the fulllength sizing die into the press and tighten securely.
- Follow with the standard seating die and neck sizing die, tightening each securely.

2. Usage:

- Begin with the fulllength sizing die to resize the brass cartridge.
- Follow up with the neck sizing die if needed for further precision.
- Use the standard seating die to properly seat the bullet into the cartridge.

- Check each cartridge for proper fit and function before use.

3. Maintenance:

- After use, clean the dies to remove any residue or debris.
- Store the dies in the provided box with the spare decapping pin and hex wrench.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of dies or related equipment in general waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the DELUXE 3DIE SETS REDDING 22250 REMINGTON, please refer to the contact details provided by your retailer or visit the manufacturer's website for support.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 22250 REMINGTON. Always prioritize safety and adhere to best practices to enjoy your hobby responsibly.
