

DELUXE 3-DIE SETS - REDDING 222 REMINGTON 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

DELUXE 3DIE SETS REDDING 222 REMINGTON

Safety Instructions

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 222 REMINGTON. This product is designed to help you create highquality ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of potential hazards associated with reloading ammunition.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using this product.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle the dies with care to avoid injury.
 - Keep fingers away from moving parts during operation.
- **Loading Ammunition:**
 - Follow the manufacturer's instructions for loading and reloading ammunition.
 - Use only compatible cartridges with the Redding 222 Remington die set.
- **Storage:**
 - Store the die set in a dry, cool place to prevent rust and corrosion.
 - Ensure that the die box is securely closed to avoid accidental spills.
- **Disposal:**
 - Dispose of any damaged or wornout dies according to local regulations.
 - Do not dispose of ammunition components in regular trash.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is clean and properly set up.
- Carefully remove the dies from the packaging.
- Install the full length sizing die in the press first, following the instructions provided with your press.
- Next, install the standard seating die and then the neck sizing die.
- Ensure all dies are tightened securely but do not overtighten to avoid damage.

2. Usage:

- Before using the dies, inspect them for any signs of damage or wear.
- Adjust the dies according to the specifications for the 222 Remington cartridge.
- Use the full length sizing die to size the brass cases before reloading.
- Follow the seating die instructions to properly seat the bullets.
- Use the neck sizing die to refine the fit of the neck of the cartridge.
- Always check the finished ammunition for proper dimensions and functionality.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local laws and regulations.
- Do not throw away ammunition components in regular household waste.
- Contact local hazardous waste disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or additional support regarding the DELUXE 3DIE SETS REDDING 222 REMINGTON, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 222 REMINGTON. Thank you for your attention to safety and compliance.
