

DELUXE 3-DIE SETS - REDDING 257 ROBERTS 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 257 ROBERTS 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 257 ROBERTS 3 DIE SET. This product is designed to help you create highquality ammunition safely and efficiently. Please read this guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the dies are inspected regularly for wear or damage.
- Keep the dies out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling dies and ammunition components.
- Be aware of your surroundings when using this product to avoid accidents.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Sharp edges on dies can cause cuts.
- Improper use can lead to ammunition that does not fit standard chambers, resulting in malfunctions.

- **Avoiding Hazards:**

- Handle dies with care to avoid cuts from sharp edges.
- Ensure that all components are properly aligned and secured before use.
- Do not exceed the recommended load specifications for your ammunition.
- Always doublecheck the compatibility of your dies with the ammunition you are loading.

- **AgeSpecific Warnings:**

- This product is intended for use by adults or under adult supervision.
- Keep this product away from children and pets.

Instructions for Installation and Usage

- **Installation:**

1. Unpack the die set from the packaging.
2. Inspect each die for any signs of damage.
3. Attach the fulllength sizing die to your reloading press according to the manufacturer's instructions.
4. Repeat the process for the standard seating die and neck sizing die.

- **Usage:**

1. Ensure that your reloading press is securely mounted and stable.
2. Follow the reloading process as outlined in your reloading manual.

3. Use the fulllength sizing die first to size your brass cases.
4. Next, use the neck sizing die if applicable for your specific loading needs.
5. Finally, use the standard seating die to properly seat your bullets.
6. Regularly check for proper operation and alignment of dies during use.

Disposal Instructions

- Dispose of any damaged or wornout dies according to local regulations.
- Do not dispose of ammunition components in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information included with your product packaging.

By adhering to these guidelines, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 257 ROBERTS 3 DIE SET. Thank you for your attention to safety and compliance.
