

DELUXE 3-DIE SETS - REDDING 300 WINCHESTER MAGNUM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 300 WINCHESTER MAGNUM 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 300 WINCHESTER MAGNUM 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the dies are used in accordance with the manufacturer's instructions.
- Keep the dies out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of wear or damage before use.
- Do not use the dies if they are damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are familiar with the reloading process and safety procedures before using the dies.
- Wear appropriate safety gear, including safety glasses and gloves, when handling ammunition components.
- Use the dies in a wellventilated area to avoid inhaling any harmful fumes.
- Store the dies in a dry and secure place to prevent rust and damage.
- Do not exceed the recommended load specifications when reloading ammunition.
- Avoid distractions while using the dies to maintain focus and safety.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is secure and stable.
- Clean the dies before installation to remove any manufacturing residues.
- Install the full length sizing die first by screwing it into the press.
- Follow with the standard seating die and then the neck sizing die, ensuring each is tightened securely.

2. Using the Dies:

- Refer to your reloading manual for specific instructions on using each die.
- Use the full length sizing die to resize the brass cases.
- Use the neck sizing die for cases that have already been fired in your specific chamber.
- Use the standard seating die to seat the bullet to the desired depth.

3. PostUse Care:

- Clean the dies after each use to maintain their functionality.
- Store the dies in the provided die box, ensuring that all components are accounted for.
- Keep the spare decapping pin and hex wrench with the dies for future use.

Disposal Instructions

- Dispose of any defective or damaged dies according to local regulations.
- Do not throw dies in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.
- Ensure that all packaging materials are disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging. This ensures you receive accurate and timely support.

Thank you for your attention to these safety guidelines. We hope you enjoy using your DELUXE 3DIE SETS REDDING 300 WINCHESTER MAGNUM 3 DIE SET safely and effectively.
