# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 338 WINCHESTER MAGNUM 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 338 WINCHESTER MAGNUM 3 DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment and the specific requirements for the 338 Winchester Magnum cartridge.
- Always wear appropriate personal protective equipment, including safety glasses and gloves, when handling reloading dies and components.
- Keep the workspace clean and free of obstructions to prevent accidents.
- Store dies and reloading components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the dies for wear or damage. Do not use damaged dies.
- Be aware of the specific safety requirements for the ammunition you are reloading, including the specifications provided by the manufacturer.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for the proper use of the dies.
- Do not exceed the recommended load specifications for the 338 Winchester Magnum cartridge.
- Ensure that the dies are properly installed and tightened before use to avoid accidents during reloading.
- Avoid distractions while reloading to maintain focus and prevent mistakes.
- If you are new to reloading, consider seeking assistance from an experienced reloader or taking a reloading safety course.
- In case of any malfunction or abnormal operation, cease use immediately and consult a qualified technician.

## Instructions for Installation and Usage

### 1. Installation of the Dies

- Ensure that your reloading press is securely mounted and stable.
- Select the appropriate die for your reloading process:
  - Full Length Sizing Die
  - Standard Seating Die
  - Neck Sizing Die
- Insert the die into the press and tighten securely according to the manufacturer's specifications.
- Adjust the die settings as per the specific requirements for the 338 Winchester Magnum cartridge.

### 2. Using the Dies

- Begin the reloading process by following the recommended steps for each die:
  - For the Full Length Sizing Die, ensure the cartridge case is properly sized for chambering.
  - For the Standard Seating Die, carefully seat the bullet to the desired depth.
  - For the Neck Sizing Die, ensure proper neck tension on the bullet.
- Regularly check the finished cartridges for quality and consistency.

### 3. PostUse Care

- Clean the dies after each use to prevent residue buildup and maintain performance.
- Store the dies in the provided die box along with the spare decapping pin and hex wrench.
- Ensure that the shellholder is stored separately and securely.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of reloading components in regular household waste. Follow local guidelines for hazardous waste disposal.
- Consider recycling options for metal components if available.

## Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer's customer service. Ensure you have the product information ready for efficient assistance.

By following these safety instructions, you can ensure a safe and successful reloading experience with the DELUXE 3DIE SETS REDDING 338 WINCHESTER MAGNUM 3 DIE SET. Thank you for prioritizing safety in your reloading practices.
