

# DELUXE 3-DIE SETS - 223 REMINGTON 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# DELUXE 3DIE SETS 223 REMINGTON 3 DIE SET

## Safety Instructions

### Introduction

Thank you for choosing the DELUXE 3DIE SETS 223 REMINGTON 3 DIE SET by Redding. This product is designed for reloading ammunition and is made of highquality materials to ensure durability and precision. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to avoid accidents.
- Store all reloading components, including dies, in a secure location away from children and pets.
- Use the product only as intended; do not modify the dies or use them for purposes other than reloading.
- Be aware of potential hazards associated with reloading, such as exposure to lead and other materials.

### Specific Safety Precautions for Use

- Read and understand the instructions provided with the die set before use.
- Ensure that the reloading press is properly secured and stable before operating.
- Check all equipment for wear or damage before starting the reloading process.
- Do not exceed the maximum load specifications for the cartridges you are reloading.
- Always follow the recommended procedures for cleaning and maintaining the dies.
- Dispose of any unused or expired materials according to local hazardous waste regulations.

### Instructions for Installation and Usage

#### 1. Installation of the Die Set:

- Remove the die set from its packaging and inspect it for any damage.
- Install the fulllength sizing die into the reloading press, ensuring it is tightened securely.
- Follow with the installation of the standard seating die and neck sizing die in the same manner.

#### 2. Using the Die Set:

- Prepare your brass cases by cleaning them thoroughly before resizing.
- Adjust the sizing die according to the manufacturer's instructions to ensure proper sizing of the brass.
- Use the seating die to seat the bullets to the recommended overall length specified for the cartridge.
- After reloading, visually inspect the completed cartridges for any defects.

#### 3. PostUsage Maintenance:

- Clean the dies after each use to prevent residue buildup.
- Store the dies in the provided die box to protect them from damage.
- Keep a spare decapping pin and hex wrench in the die box for future adjustments.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components according to local regulations.
- Follow local guidelines for the disposal of hazardous materials, such as lead and chemical residues.
- If in doubt, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE 3DIE SETS 223 REMINGTON 3 DIE SET, please refer to the manufacturer's contact information provided in the packaging. It is important to have access to support for any safety inquiries or product issues.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your DELUXE 3DIE SETS 223 REMINGTON 3 DIE SET. Thank you for your attention to safety, and happy reloading!
