# Redding Instant Indicator Safety Instructions

## Introduction

Thank you for choosing the Redding Instant Indicator. This precision tool is designed to help hand loaders quickly and accurately compare headspace and bullet seating depth. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always read the instructions thoroughly before using the Redding Instant Indicator.
- Ensure the tool is used in a welllit and safe environment.
- Keep the tool out of reach of children and pets.
- Regularly inspect the tool for any signs of damage or wear. Do not use if damaged.
- Store the tool in a safe place when not in use to prevent accidental injury.

## Specific Safety Precautions for Use

- Use the Redding Instant Indicator only for the cartridge specified in the product description (338 Winchester Magnum).
- Do not modify or attempt to repair the tool. If repairs are needed, contact a qualified technician.
- Always wear appropriate safety gear, including eye protection, when using the tool.
- Be cautious of sharp edges and moving parts. Handle the tool carefully to avoid injury.
- Ensure that the tool is used according to the instructions provided to avoid mismeasurement and potential safety hazards.

## Instructions for Installation and Usage

### 1. Setup:

- Remove the Redding Instant Indicator from its packaging.
- Ensure that all components, including the bore diameter bushing, surface contactor, shoulder contactor, and headspace gauge, are included.

### 2. Using the Tool:

- Insert the appropriate bore diameter bushing into the tool.
- Use the surface contactor to measure the bullet seating depth.
- Use the shoulder contactor to check headspace.
- Follow the instructions provided to compare bullets, seating depths, and cases for uniformity.

### 3. Measuring and Recording:

- Take note of measurements and compare them as per the guidelines.
- Ensure that measurements are taken in a consistent manner for accuracy.

### 4. PostUse:

- Clean the tool after each use to ensure longevity and accuracy.
- Store the tool in its designated case or a safe location.

## Disposal Instructions

- Dispose of the Redding Instant Indicator in accordance with local regulations.

- If the tool is no longer usable, consider recycling materials where possible.
- Do not dispose of the tool in household waste unless permitted by local guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Redding Instant Indicator, please refer to the contact information provided on the packaging or the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the Redding Instant Indicator. Always prioritize safety and take the necessary precautions to protect yourself and others while using this precision tool. Thank you for your attention to these guidelines.
