# Safety Instruction Guide for FULL LENGTH DIE SET 7.5MM SWISS

## Introduction

Thank you for choosing the FULL LENGTH DIE SET 7.5MM SWISS by Redding. This product is designed to provide you with highquality ammunition reloading capabilities. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before use.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves.
- Keep the workspace clean and organized to prevent accidents.
- Store all reloading components in a secure location, away from children and unauthorized users.
- Do not use the die set for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Read and understand all instructions before attempting to use the die set.
- Inspect the die set for any damage or defects before use. Do not use if damaged.
- Ensure that the die set is compatible with the 7.5 mm Schmidt Rubin cartridge before use.
- Avoid overloading cartridges, as this can lead to dangerous malfunctions.
- Do not attempt to modify the die set in any way.
- If you experience any issues while using the die set, stop immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Follow the manufacturer's instructions for installing the fulllength sizing die and seating die.
- Tighten the dies securely to prevent movement during operation.

### 2. Usage:

- Always check that the reloading press is empty before starting.
- Set the fulllength sizing die to the correct depth as specified in the die set instructions.
- Insert the cartridge case into the shell holder and raise it into the die.
- Operate the press to size the case fully.
- For seating bullets, adjust the seating die according to the bullet length specifications.
- Always doublecheck the cartridge for proper seating and overall length before finalizing.

## Disposal Instructions

- Dispose of any used reloading components, such as spent primers and excess powder, in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support regarding the FULL LENGTH DIE SET 7.5MM SWISS, please refer to the manufacturer's contact information provided with the product packaging.

## Conclusion

By following the safety guidelines and instructions outlined in this document, you can ensure a safe and efficient reloading experience with your FULL LENGTH DIE SET 7.5MM SWISS. Always prioritize safety and adhere to best practices while handling reloading equipment.
