Safety Instruction Guide for RCBS Hand Neck Turner with Quick Change Case Holder

Introduction

Thank you for choosing the RCBS Hand Neck Turner with Quick Change Case Holder. This tool is designed to provide precision and ease of use for your reloading needs. While using this product, it is essential to follow safety guidelines to ensure a safe and effective experience. This guide provides comprehensive safety instructions and tips for proper use.

General Safety Guidelines

- Always read and understand the user manual before using the product.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use for any signs of damage or wear.
- Use the tool only for its intended purpose as described in the manual.
- Ensure that your working area is clean, dry, and welllit.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Do not operate the tool if you are tired, under the influence of drugs or alcohol, or if you are feeling unwell.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before starting, ensure that the neck turner is properly set up and adjusted.
- Always use the correct caliber mandrel for your specific needs.
- Keep hands and fingers clear of moving parts during operation.
- Do not force the tool; if it does not operate smoothly, stop and inspect for issues.
- Avoid wearing loose clothing or jewelry that may get caught in the tool.
- Store the tool in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Setup:

- Unpack the Hand Neck Turner and all included components.
- Select the appropriate mandrel for your caliber from the available options (e.g., 38/357, 41, 44, 45, 9 mm, 40/10 mm, 17, 30, 32, 25).
- Attach the selected mandrel securely to the neck turner.

2. Adjustment:

- Use the micrometer adjuster to set the desired cut thickness.
- Zero the micrometer to the mandrel before making adjustments.

3. Operation:

- Insert the case into the Quick Change Case Holder.
- Ensure the case is securely held before starting the turning process.
- Turn the handle smoothly and steadily to achieve an even neck thickness.
- Monitor the process closely to ensure no obstruction or issues arise.

4. PostUse:

- After using the tool, clean it thoroughly to remove any debris or residue.
- Store the Hand Neck Turner and its components in a safe and dry location.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Check for local recycling programs that accept metal tools and components.

Contact Information for Further Support

For any questions or concerns regarding the use of the RCBS Hand Neck Turner with Quick Change Case Holder, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product model and any relevant details ready for a quicker response.

By following these safety guidelines, you can ensure a safe and effective experience with your RCBS Hand Neck Turner. Always prioritize safety and report any issues to the appropriate authorities. Thank you for your attention to these important safety instructions.
