# Redding Full Length Die Set Safety Instruction Guide

## Introduction

Thank you for purchasing the Redding Full Length Die Set for 260 Rem Ackley Imp. This guide provides essential safety instructions to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before use.
- Always follow the manufacturer's instructions and guidelines.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety alerts related to this product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Ensure that your workspace is clean and free from distractions.
- Avoid using the die set if you are under the influence of alcohol or drugs.
- Do not exceed recommended pressures or load specifications as outlined in the reloading manual.
- Inspect the die set for any signs of wear or damage before each use. Do not use if damaged.
- Store the die set in a dry, cool place to prevent rust and corrosion.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is securely mounted.
- Carefully unpack the die set and inspect all components.
- Follow these steps to install the full length sizing die:
  - Remove the existing die from the reloading press.
  - Insert the full length sizing die into the press and tighten securely.
  - Adjust the die according to the manufacturer's instructions to achieve the desired sizing.

### 2. Usage

- Before starting, ensure that you have all necessary components for reloading.
- Follow the reloading manual for specific load data and procedures.
- Use the full length sizing die to resize the cartridge cases as needed.
- After resizing, use the seating die to properly seat the bullet in the cartridge case.
- Always doublecheck measurements and ensure proper alignment before pressing.

## Disposal Instructions

- Dispose of any unused or excess materials according to local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local authorities or waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Full Length Die Set, please refer to the manufacturer's website or customer service for assistance. Always ensure that you have the product details on hand when seeking support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Full Length Die Set. Thank you for prioritizing safety in your reloading practices.
