

# INSTANT INDICATORS - REDDING INSTANT INDICATOR/7MM-08 REM

[Reloading](#) > [Measuring Tools](#) > [Case Gauges & Headspace Tools](#)

**REDDING INSTANT INDICATORS** The Redding Instant Indicator is a precision made tool that allows a hand loader to quickly compare headspace and bullet seating depth within .001". The Instant Indicator provides an extremely quick method for comparing bullets, seating depths, fired cases, sized cases, trim lengths and loaded ammunition for uniformity. Easily perform any of the following tasks:

**FEATURES:** Sort bullets for uniformity Sort cases fired in two or more rifles Sort sized cases for uniformity Set up sizing die correctly Compare sized cases to fired cases to determine the amount of headspace Check uniformity of shoulder bump Check bullet seating depth uniformity Sort loaded ammunition for uniformity Determine when cases need trimming Check trim length uniformity Instructions Included Supplied with one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge and complete instructions. The Instant Indicator fits the cartridge listed in the description, however it may be used for a family of cartridges with the same shoulder angle.

## Attributes

- Name: [REDDING INSTANT INDICATOR/7MM-08 REM](#)
- Manufacturer: [REDDING](#)
- Product no.: 749007144
- Mfr. No.: 17139
- Caliber: 7 mm - 08 Remington
- Cartridge: -
- Delivery weight: 0.44kg
- Shipping height: 44mm
- Shipping width: 109mm
- Shipping length: 152mm
- UPC: 611760171390

# Redding Instant Indicator Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Instant Indicator. This precision tool is designed to help hand loaders compare headspace and bullet seating depth efficiently. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the Redding Instant Indicator.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any visible damage before use. Do not use if damaged.
- Use the tool only for its intended purpose as described in this guide.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Handling:** Handle the Redding Instant Indicator with care to avoid injury. The tool has sharp edges that can cause cuts.
- **Storage:** Store the tool in a dry and safe location when not in use to prevent damage or accidents.
- **Environment:** Use the tool in a welllit area to ensure visibility and accuracy during measurements.
- **Personal Protective Equipment (PPE):** Consider wearing safety glasses and gloves when using the tool, especially when handling ammunition or fired cases.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions to minimize the risk of accidents.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure you have all components: bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and the Instant Indicator.
- Select the appropriate bore diameter bushing for your cartridge.

### 2. Using the Tool:

- Place the surface contactor against the bullet or case to measure the seating depth or headspace.
- Adjust the tool as necessary to ensure accurate readings.
- Compare measurements to determine uniformity among bullets, cases, and loaded ammunition.
- Follow the specific tasks outlined in the product description for optimal use.

### 3. PostUse:

- Clean the tool after use to maintain its precision and longevity.
- Store the tool in its designated case or a safe location.

## Disposal Instructions

- Dispose of the Redding Instant Indicator responsibly at the end of its life cycle.
- Follow local regulations for the disposal of tools and electronic devices.

- Do not dispose of the tool in household waste. Instead, take it to a designated recycling center.

## **Contact Information for Further Support**

For any inquiries or support regarding the Redding Instant Indicator, please reach out to the appropriate channels as indicated on the product packaging or documentation.

By following the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and effective experience with the Redding Instant Indicator. Thank you for your attention to safety, and happy loading!
