# Redding Instant Indicators Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Instant Indicators. This precision tool is designed to help hand loaders compare headspace and bullet seating depth quickly and accurately. It is essential to follow safety guidelines to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the Redding Instant Indicators are used in accordance with the manufacturer's instructions.
- Always handle the tool with care to avoid injury or damage.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the tool only for its intended purpose as described in the product documentation.
- Always wear appropriate safety gear, such as eye protection, when using the tool.
- Avoid using the tool in wet or damp environments to prevent electrical hazards.
- Do not apply excessive force when using the tool, as this may lead to inaccurate measurements or damage.
- Ensure that your workspace is clean and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Setup:

- Remove the Redding Instant Indicator from its packaging and inspect for any damage.
- Ensure that you have all components: one bore diameter bushing, surface contactor, shoulder contactor, headspace gauge, and complete instructions.

### 2. Using the Tool:

- Insert the appropriate bore diameter bushing into the tool based on the cartridge you are measuring.
- Use the surface contactor to measure bullet seating depth and the shoulder contactor to check headspace.
- Follow the instructions for comparing bullets, cases, and loaded ammunition for uniformity.
- Make sure to compare sized cases to fired cases to determine the amount of headspace accurately.

### 3. PostUse Care:

- Clean the tool after use to maintain its accuracy and longevity.
- Store the tool in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the Redding Instant Indicators responsibly in accordance with local regulations.
- If the tool is damaged or no longer usable, consider recycling parts where possible.

- Do not dispose of the tool in general waste if it contains any electronic components.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Redding Instant Indicators, please refer to the manufacturer's contact information provided in the product documentation. It is essential to have a point of contact for any safety inquiries or issues that may arise.

By following these safety instructions, you can ensure a safe and effective experience with your Redding Instant Indicators. Thank you for your attention to these important guidelines.
