

DELUXE 3-DIE SETS - REDDING 7.62X39MM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 7.62X39MM 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 7.62X39MM 3 DIE SET. This product is designed for reloading ammunition safely and effectively. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that the workspace is clean, organized, and free from distractions.
- Keep the reloading area wellventilated to avoid inhalation of any fumes.
- Store all components, including dies and ammunition, in a secure location away from children and unauthorized individuals.
- Always wear appropriate personal protective equipment, including safety glasses and gloves, when reloading.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Inspect all dies before use for any signs of damage or wear. Do not use damaged equipment.
- Make sure that the die set is compatible with the 7.62 x 39 mm Russian cartridge before starting the reloading process.
- Use only the recommended components for reloading, including powders, primers, and bullets.
- Always doublecheck measurements and settings before proceeding with reloading.
- Avoid distractions while reloading to maintain focus and precision.
- Never exceed recommended load data provided by reputable sources.
- Be aware of the potential hazards of handling gunpowder and primers, including fire and explosion risks.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials, including the die set, shell holder, and reloading components.
- Ensure your workspace is clean and free of any obstructions.

2. Installation of Dies

- Secure the fulllength sizing die into the reloading press according to the manufacturer's instructions.
- Install the standard seating die and neck sizing die in the same manner.
- Adjust the dies to the correct settings based on the specifications for the 7.62 x 39 mm cartridge.

3. Reloading Process

- Begin with the fulllength sizing die to resize the cartridge cases.
- Follow with the neck sizing die if necessary, depending on your reloading needs.
- Use the standard seating die to seat the bullets into the resized cases.
- Always check the overall length of the loaded ammunition to ensure it meets specifications.

4. Quality Control

- Inspect each completed round for defects, such as improper seating or visible damage.
- Store completed ammunition in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or expired components according to local regulations.
- Follow proper hazardous waste disposal guidelines for any materials that may be harmful to the environment.
- Do not throw away reloading components in regular trash.

Contact Information for Further Support

For any safety inquiries or additional support regarding the DELUXE 3DIE SETS REDDING 7.62X39MM 3 DIE SET, please refer to the manufacturer's contact information provided in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and adhere to best practices while using your DELUXE 3DIE SETS REDDING 7.62X39MM 3 DIE SET. Thank you for your attention to these important guidelines.
