

DELUXE 3-DIE SETS - REDDING 7MM REMINGTON ULTRA MAGNUM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Introduction

Thank you for choosing the Redding Deluxe 3DIE Set for your reloading needs. This guide provides important safety instructions, general safety guidelines, specific precautions for use, installation and usage instructions, and disposal information. Please read this guide carefully to ensure safe and effective use of your die set.

General Safety Guidelines

- Ensure that you are familiar with the reloading process and the specific requirements for the 7mm Remington Ultra Magnum cartridge.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment and materials.
- Keep the reloading area clean and organized to prevent accidents and ensure a safe working environment.
- Store all reloading components, including dies, in a secure location away from children and unauthorized users.
- Regularly inspect your dies and reloading equipment for signs of wear or damage. Do not use damaged equipment.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper handling of dies can lead to personal injury.
- Using incorrect components may result in ammunition that is unsafe to fire.

• Avoiding Hazards:

- Always follow the manufacturer's instructions when using the die set.
- Do not exceed the recommended load limits for the 7mm Remington Ultra Magnum cartridge.
- Ensure that your reloading press is securely mounted and stable to prevent accidents.

• Age Restrictions:

- This product is intended for use by individuals who are at least 18 years old and knowledgeable about firearms and ammunition reloading.

Instructions for Installation and Usage

• Installation:

1. Ensure that your reloading press is properly set up and securely mounted.
2. Install the full length sizing die into the press according to the manufacturer's instructions.
3. Follow with the neck sizing die and the standard seating die, ensuring each is tightened securely.

• Usage:

- Always verify that the dies are correctly adjusted before beginning the reloading process.

- Use the full length sizing die to resize the cases before reloading.
- Use the neck sizing die for cases that will be fired in the same chamber to maintain proper fit.
- Use the seating die to properly seat the bullets into the resized cases.
- Regularly check the adjustment of the dies to ensure accuracy and safety.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away ammunition or reloading components in regular trash. Contact local authorities for proper disposal methods.
- Keep all packaging materials until you are certain that the product is functioning correctly. Dispose of packaging responsibly.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service. Ensure you have your product details ready for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding Deluxe 3DIE Set. Always prioritize safety and adhere to best practices while handling firearms and ammunition.
