

# COMPETITION SEATER DIES - REDDING 220 SWIFT BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001"" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# Safety Instruction Guide for Redding Competition Seater Die

## Introduction

Thank you for choosing the Redding Competition Bullet Seater Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and follow all instructions carefully to avoid potential hazards.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using the die.
- Always wear appropriate safety gear, including safety glasses, when reloading ammunition.
- Keep the work area clean and wellorganized to avoid accidents.
- Store the die in a secure location away from children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper use of the die can lead to dangerous ammunition.
  - Inadequate adjustments may result in seating bullets too deep or too shallow.
- **Avoiding Hazards:**
  - Always doublecheck your measurements before making adjustments.
  - Do not exceed the recommended load specifications for the 220 Swift cartridge.
  - Never use the die with damaged or worn components.
  - Ensure the die is securely attached to the reloading press before use.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the die from its packaging and inspect it for damage.
- Securely attach the die to your reloading press using the 7/814 thread.
- Make sure the die is tightened properly to avoid movement during use.

### 2. Usage:

- Adjust the micrometer to your desired seating depth using the zero set feature.
- Place a bullet into the die and operate the press to seat the bullet into the cartridge case.
- Check the seating depth with a caliper to ensure accuracy.
- After use, clean the die to remove any residue or debris.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Competition Bullet Seater Die, please reach out to the manufacturer's customer support. Ensure you have your product details on hand when seeking assistance.

By following these safety instructions, you can help ensure a safe and effective reloading experience with your Redding Competition Bullet Seater Die. Thank you for your attention to safety.
