

DELUXE 3-DIE SETS - REDDING 6.5-06 A-SQUARE 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

REDDING 6.506 ASQUARE 3 DIE SET

Introduction

Thank you for purchasing the Redding Deluxe 3DIE Set for 6.506 ASquare. This guide provides important safety instructions to ensure the safe use and handling of your die set. Please read this guide carefully before using the product to avoid any potential hazards.

General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Ensure that your workspace is clean and free of obstructions.
- Store the die set in a dry place, away from moisture and extreme temperatures.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while operating the dies.
- Keep the die set out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Inspection:** Always inspect the dies for damage or wear before use. Do not use damaged dies.
- **Compatibility:** Ensure that the die set is compatible with your reloading equipment and the ammunition you intend to produce.
- **Proper Use:** Follow the manufacturer's instructions carefully for each die to avoid improper loading or malfunction.
- **Avoid Overloading:** Do not exceed recommended loads when using the dies to prevent accidents.
- **Heat Management:** Be cautious of heat generated during the reloading process. Allow equipment to cool as necessary.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the die set from the packaging.
- Check that all components are included: full length sizing die, standard seating die, neck sizing die, spare decapping pin, and hex wrench.

2. Installation:

- Securely mount the dies onto your reloading press according to the press manufacturer's instructions.
- Use the hex wrench provided to tighten the dies securely.

3. Usage:

- **Full Length Sizing Die:**
 - Insert the cartridge case into the die and follow the press operation to resize the case.
- **Neck Sizing Die:**
 - Use this die for cases that have already been fired in your chamber to ensure a proper fit.
- **Seating Die:**
 - Place the bullet into the case mouth and adjust the die to seat the bullet to the desired depth.

4. PostUse:

- Clean the dies after each use to remove any debris and prevent corrosion.
- Store the dies in the provided die box to keep them organized and protected.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for following these safety instructions. Enjoy your reloading experience with the Redding Deluxe 3DIE SETS REDDING 6.506 ASQUARE 3 DIE SET while ensuring a safe environment.
