

DELUXE 3-DIE SETS - REDDING 338 LAPUA MAGNUM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 338 LAPUA MAGNUM 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 338 LAPUA MAGNUM 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before using this product.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during the reloading process.
- Keep the die set out of reach of children and unauthorized users.
- Store the die set in a secure location when not in use.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and storage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Ensure that the reloading area is wellventilated and free from clutter.
- Do not exceed the recommended load data provided by reputable sources.
- Avoid distractions while reloading to maintain focus and safety.
- Always doublecheck measurements and settings before proceeding with reloading.
- Use only compatible components with this die set to prevent malfunctions.

Instructions for Installation and Usage

1. Setup

- Select a clean, stable work surface for reloading.
- Gather all necessary components including the die set, shellholder, and reloading press.
- Ensure that you have a spare decapping pin and hex wrench available.

2. Installation of Dies

- Insert the fulllength sizing die into the reloading press and secure it according to the manufacturer's instructions.
- Follow with the neck sizing die and the standard seating die, ensuring each is tightened properly.

3. Reloading Process

- Start by resizing the brass cases using the fulllength sizing die.
- After resizing, use the neck sizing die if necessary for further adjustments.
- Proceed to the seating die to properly seat the bullets into the prepared cases.
- Inspect each round for proper seating and finish.

4. PostReloading

- Clean the dies after use to maintain performance and longevity.

- Store the die set in the provided die box along with any spare parts.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective reloading experience with the DELUXE 3DIE SETS REDDING 338 LAPUA MAGNUM 3 DIE SET. Thank you for prioritizing safety in your reloading activities.
