

DELUXE 3-DIE SETS - REDDING 6MM REMINGTON ACKLEY IMPROVED 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 6MM REMINGTON ACKLEY IMPROVED 3 DIE SET

Introduction

Thank you for choosing the Redding Deluxe 3DIE Set for your reloading needs. This product is designed to enhance your ammunition reloading experience while ensuring safety and precision. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always handle all reloading equipment with care and respect.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the dies for any damage or abnormalities before use.
- Use the dies only for their intended purpose as specified in the product description.
- Always wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Ensure your workspace is clean, welllit, and free from distractions.
- Be aware of the potential hazards associated with reloading, including the handling of powders and primers.

Specific Safety Precautions for Use

- **Cartridge Compatibility:** Ensure that the die set is compatible with the 6mm Remington Ackley Improved cartridge. Using it with incompatible cartridges can lead to dangerous malfunctions.
- **Heat Treatment:** The dies are heattreated for durability. Avoid exposing them to extreme temperatures or conditions that may affect their integrity.
- **Decapping Pin:** Always check the spare decapping pin for proper installation and function before use. A malfunctioning pin may cause injury or damage.
- **Hex Wrench Use:** Use the hex wrench provided to make adjustments. Ensure that all components are securely fastened before operating.
- **Storage:** Store the die set in the provided die box when not in use to protect it from dust and damage.

Instructions for Installation and Usage

1. Unpacking the Die Set:

- Carefully remove the die set from its packaging.
- Inspect each die for any visible damage or defects.
- Ensure that all components, including the spare decapping pin and hex wrench, are included.

2. Setting Up the Dies:

- Select the appropriate die for your task: fulllength sizing die, neck sizing die, or standard seating die.
- Install the die into your reloading press according to the manufacturer's instructions.
- Use the hex wrench to securely fasten the die in place.

3. Reloading Process:

- Follow standard reloading procedures, ensuring that you are using the correct powder, primers, and projectiles for the 6mm Remington Ackley Improved cartridge.

- Monitor the reloading process closely to avoid double charging or undercharging the cartridges.
- After reloading, inspect each cartridge for proper seating and crimping.

4. Cleaning and Maintenance:

- After use, clean the dies with a soft cloth to remove any residue.
- Store the dies in the provided die box to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of reloading materials or ammunition in regular trash. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the Redding Deluxe 3DIE Set, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the Redding Deluxe 3DIE Set. Always prioritize safety in your reloading practices, and do not hesitate to seek assistance if needed. Thank you for choosing Redding products.
