

DELUXE 3-DIE SETS - REDDING 30-30 ACKLEY IMPROVED 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 3030 ACKLEY IMPROVED 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 3030 ACKLEY IMPROVED 3 DIE SET. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this manual carefully before use to familiarize yourself with the product and its safety features.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always wear appropriate safety gear, including safety glasses, when using the die set.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before use.
- Do not attempt to modify the die set in any way.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Sharp edges: The dies may have sharp edges that can cause cuts.
 - Heavy components: The die set includes heavy parts that can cause injury if dropped.
- **Avoiding Hazards:**
 - Handle the dies with care to avoid cuts from sharp edges.
 - Use proper lifting techniques when handling the die set to prevent injury.
- **Age Restrictions:**
 - This product is not suitable for individuals under the age of 18. Ensure that only qualified individuals use the die set.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is compatible with the die set.
 2. Securely mount the die set in the reloading press according to the manufacturer's instructions.
 3. Adjust the dies to the desired settings for fulllength sizing, neck sizing, or seating as needed.
- **Usage:**
 1. Follow the recommended procedures for reloading ammunition as outlined in your reloading manual.
 2. Use the fulllength sizing die for resizing cases to ensure proper chamber fit.
 3. Use the neck sizing die for cases that will be fired in the same firearm.
 4. Use the seating die to accurately seat bullets into the cases.
 5. Always check the final product for proper fit and function before using the ammunition.

Disposal Instructions

- Dispose of the die set in accordance with local regulations.
- If the die set is damaged or no longer usable, contact your local waste management facility for proper disposal methods.
- Avoid disposing of the die set in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns, please refer to the product packaging for contact details. It is important to have access to support for any questions regarding the safe use of your die set.

Conclusion

By following the safety instructions outlined in this guide, you can ensure a safe and effective experience with your DELUXE 3DIE SETS REDDING 3030 ACKLEY IMPROVED 3 DIE SET. Always prioritize safety and adhere to the guidelines provided to minimize risks associated with reloading ammunition. Thank you for your attention to these important safety practices.
