

DELUXE 3-DIE SETS - REDDING 300-221 REMINGTON 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

REDDING 300221 REMINGTON 3 DIE SET

Introduction

Thank you for choosing the Redding Deluxe 3DIE Set. This guide provides essential safety information and instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use.

General Safety Guidelines

- Ensure all components are intact and free from defects before use.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the die set out of reach of children and vulnerable individuals.
- Store the die set in a dry and secure location to prevent unauthorized access.
- Regularly check for wear and tear on the dies and other components.

Specific Safety Precautions for Use

- Handle the dies with care to avoid injury from sharp edges.
- Ensure that the dies are properly installed and secured in your reloading press to prevent accidents.
- Do not exceed recommended load data when reloading ammunition.
- Avoid distractions while using the die set to maintain focus and ensure safety.
- Always follow the manufacturer's guidelines for reloading procedures.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is clean and free from debris.
- Select the appropriate die for your reloading task:
 - Full length sizing die
 - Standard seating die
 - Neck sizing die
- Install the selected die into your reloading press according to the manufacturer's instructions.
- Secure the die firmly to avoid movement during operation.

2. Usage:

- Follow these steps for each type of die:
 - **Full Length Sizing Die:**
 - Adjust the die to the proper height according to your reloading specifications.
 - Insert the cartridge case into the press and operate the handle to size the case.
 - **Standard Seating Die:**
 - Set the die to the desired bullet seating depth.
 - Place a bullet on the charged case and operate the press to seat the bullet.
 - **Neck Sizing Die:**
 - Adjust the die as needed for neck sizing.
 - Insert the cartridge case and operate the press to size the neck of the case.
- After use, clean the dies to remove any residue and store them in the provided die box.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of the DELUXE 3DIE SETS REDDING 300221 REMINGTON 3 DIE SET, please reach out to your local retailer or the manufacturer. Ensure you have the product information ready for efficient assistance.

By adhering to these safety guidelines and instructions, you can enjoy a safe and effective reloading experience with your Redding Deluxe 3DIE Set. Thank you for your attention to safety and responsible use of this product.
