# **Safety Instruction Guide for DELUXE 3DIE SETS**

## **5.7X28MM**

### **Introduction**

Thank you for choosing the DELUXE 3DIE SETS 5.7X28MM by Redding. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die set. Please read this document thoroughly before using the product.

### **General Safety Guidelines**

- Always follow the manufacturer's instructions for safe handling and use of the die set.
- Store the die set in a secure location, out of reach of children and pets.
- Inspect the die set for any visible damage before use. Do not use if any part is damaged.
- Use the die set only for its intended purpose, which is to reload ammunition for the specified cartridge (5.7 x 28 mm).
- Maintain a clean and organized workspace to prevent accidents.
- Wear appropriate safety gear, including safety glasses and hearing protection, when using the die set.
- Be aware of your surroundings and ensure that all bystanders are at a safe distance during use.

### **Specific Safety Precautions for Use**

- Ensure that the die set is compatible with your specific reloading equipment.
- Do not exceed the recommended specifications for cartridge loading.
- Always doublecheck the load data provided in reliable reloading manuals before proceeding.
- Use the neck sizing die only for cases that have been previously fired in the same firearm to ensure proper fit.
- Do not attempt to modify the dies or use them in a manner not intended by the manufacturer.
- Keep the area free of distractions while reloading ammunition.

### **Instructions for Installation and Usage**

#### **1. Unpack the Die Set:**

- Carefully remove the die set from its packaging.
- Ensure all components are present: full length sizing die, standard seating die, neck sizing die, spare decapping pin, and hex wrench.

#### **2. Install the Dies:**

- Securely attach the full length sizing die to your reloading press according to the manufacturer's instructions.
- Repeat the process for the standard seating die and neck sizing die, ensuring each is tightly fastened.

#### **3. Prepare for Reloading:**

- Clean and inspect your brass cases before reloading.
- Use the full length sizing die to resize the brass cases to ensure they fit properly in your firearm.
- Use the neck sizing die for cases that have been previously fired in your firearm to maintain proper chamber fit.

#### **4. Seating the Bullet:**

- Adjust the standard seating die to achieve the desired bullet seating depth.
- Carefully insert the bullet into the case mouth and use the press to seat the bullet.

#### **5. Final Inspection:**

- Inspect each completed round for proper seating and overall quality.
- Store reloaded ammunition in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Do not dispose of ammunition in regular household waste. Follow local laws for proper disposal of ammunition.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE 3DIE SETS 5.7X28MM, please refer to the manufacturer's contact information provided on the packaging or visit their official website for further support.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your DELUXE 3DIE SETS 5.7X28MM. Always prioritize safety and consult the appropriate resources if you have any doubts or questions. Thank you for choosing Redding for your reloading needs.
