

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 204 RUGER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 204 Ruger

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read and understand the following safety guidelines and instructions before using the die set.

## General Safety Guidelines

- **Product Safety:** Ensure safe handling and use of the die set. Follow all instructions carefully to avoid accidents.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety standards similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used by individuals who may be inexperienced or vulnerable.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on unsafe products and recalls.

## Specific Safety Precautions for Use

- **Read Instructions:** Always read the instruction manual before using the die set.
- **Wear Protective Gear:** Use appropriate safety glasses and gloves to protect yourself from potential hazards.
- **Check for Damage:** Inspect the die set for any signs of damage before use. Do not use if damaged.
- **Keep Out of Reach:** Store the die set out of reach of children and pets.
- **Avoid Distractions:** Ensure you are focused and not distracted while using the die set.
- **Use in WellVentilated Area:** Work in a wellventilated space to avoid inhalation of any fumes or particles.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your workspace is clean and organized.

### 2. Installation:

- Secure the die set into your reloading press according to the manufacturer's instructions.
- Make sure the die is tightened properly to avoid movement during operation.

### 3. Usage:

- Follow the specific reloading procedures for the 204 Ruger cartridge as outlined in the instruction manual.
- Adjust the bushing to the desired size as per your reloading requirements.
- Always doublecheck measurements before proceeding with reloading.

#### 4. PostUse:

- Clean the die set after each use to maintain its performance and longevity.
- Store the die set in a safe, dry place when not in use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set becomes unusable, dispose of it responsibly. Check with local waste management for proper disposal methods.

## Contact Information for Further Support

For any additional questions or concerns regarding the Redding Type S Match Bushing Full Length Die Set, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Length Die Set. Thank you for your attention to safety.
