Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 7MM TCU BUSHING NECK DIE SET

Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 7MM TCU BUSHING NECK DIE SET. This product is designed to provide reloaders with precise control over case neck size and tension. It is important to follow safety guidelines to ensure safe and effective use of this product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the workspace is clean and free of obstructions.
- Store the die set in a secure location, out of reach of children and pets.
- Use the product only for its intended purpose as described in the instructions.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use protective eyewear when operating the die set to avoid injury from debris.
- Ensure that the die set is securely attached to the reloading press before use.
- Do not exceed the recommended specifications for case neck size and tension.
- Avoid using excessive force when adjusting the die settings.
- Keep hands and other body parts away from moving parts during operation.
- Follow all local laws and regulations regarding the reloading of ammunition.

Instructions for Installation and Usage

1. Installation

- Unpack the die set from the Redding Die Box.
- Inspect the contents to ensure all components are present: Type S Bushing Neck Die, Body Die, wrench, and extra decapping pin.
- Securely attach the Body Die to the reloading press according to the manufacturer's instructions.
- Insert the Type S Bushing Neck Die into the press and adjust as necessary.

2. Usage

- Adjust the bushing neck die to the desired case neck size.
- Insert the case into the die and apply gentle pressure to resize.
- Use the wrench provided to make any necessary adjustments to the die settings.
- Regularly check the tension and size of the cases to ensure consistency.
- After use, clean the die set to remove any debris or residue.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal and plastic components where available.

Contact Information for Further Support

For any questions or concerns regarding the TYPE S BUSHING NECK DIE SETS REDDING 7MM TCU BUSHING NECK DIE SET, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your TYPE S BUSHING NECK DIE SETS REDDING 7MM TCU BUSHING NECK DIE SET. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important guidelines.
