

# **SINGLE POINT CUT RIFLED BARREL BLANKS - BARTLEIN BARRELS**

## **6MM 1-14" TWIST 29" HEAVY VARMINT BARREL BLANK**

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Blanks](#)

Bartlein is a barrel maker owned and operated by shooters who have been involved in barrel making for many years. They built state-of-the-art cut rifling machines which Bartlein says can hold uniform twist rates to the 4th decimal point. Several nationally known benchrest shooters shoot Bartlein barrels. Bartlein Barrels only uses single point cut style rifling, no button rifling and no broach cutting. All barrels are prelapped/honed before rifling and finish lapped after rifling.

# Safety Instructions for Bartlein Barrels Single Point Cut Rifled Barrel Blanks

## Introduction

Thank you for choosing the Bartlein Barrels Single Point Cut Rifled Barrel Blanks. This product is designed for precision shooting and requires careful handling and installation. This guide provides essential safety instructions to ensure your safety and the proper use of the barrel blank.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the handling and installation of the barrel blank.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when working with firearms and related components.
- Keep the barrel blank out of reach of children and unauthorized individuals.
- Regularly inspect the barrel blank for any signs of damage or wear before use.
- Do not use the barrel blank if it has been modified or damaged.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling or installation.
- Potential for firearm malfunction if the barrel blank is not installed correctly.

- **Avoiding Hazards:**

- Always ensure that the firearm is unloaded before installing the barrel blank.
- Use only compatible components and tools during installation.
- Follow the manufacturer's specifications regarding installation and usage.
- Never point the firearm at anything you do not intend to shoot.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are 18 years or older.
- Ensure that all users are trained in safe firearm handling practices.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Gather necessary tools, including a live pilot if required for your specific barrel blank.
3. Carefully remove the existing barrel from the firearm following the manufacturer's instructions.
4. Install the Bartlein barrel blank by aligning it with the receiver and securing it according to the firearm's specifications.
5. Check for proper alignment and fit before proceeding.

- **Usage:**

- Once installed, conduct a thorough inspection to ensure all components are secure.
- Test the firearm in a safe and controlled environment before regular use.

- Monitor the performance of the firearm and barrel blank during use. If any unusual sounds or malfunctions occur, cease use immediately and inspect the firearm.

## Disposal Instructions

- Dispose of any damaged or unusable barrel blanks in accordance with local regulations.
- Do not dispose of barrel blanks in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Bartlein Barrels Single Point Cut Rifled Barrel Blanks, please refer to the manufacturer's contact details found on the product packaging or the official website.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your Bartlein Barrels product. Thank you for your attention to safety and responsible firearm handling.
