

# SINGLE POINT CUT RIFLED BARREL BLANKS - BARTLEIN BARRELS

## 22 CALIBER 1-8" TWIST 29" HEAVY VARMINT BARREL BLANK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Blanks](#)

Bartlein is a barrel maker owned and operated by shooters who have been involved in barrel making for many years. They built state-of-the-art cut rifling machines which Bartlein says can hold uniform twist rates to the 4th decimal point. Several nationally known benchrest shooters shoot Bartlein barrels. Bartlein Barrels only uses single point cut style rifling, no buttong rifling and no broach cutting. All barrels are prelapped/honed before rifling and finish lapped after rifling.

Bartlein SS 22 cal. HV 1-8" Twist 29" Barrel Blank

# Safety Instruction Guide for Bartlein Barrels Single Point Cut Rifled Barrel Blanks

## Introduction

Thank you for choosing the Bartlein Barrels Single Point Cut Rifled Barrel Blanks. This guide provides essential safety instructions and precautions for the safe handling, installation, and disposal of this product. Please read this document carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Always handle the barrel blanks with care and respect, treating them as you would any precisionengineered product.
- Ensure that the barrel blanks are stored in a secure location, away from children and unauthorized individuals.
- Inspect the barrel blanks for any visible damage or defects before use. If any issues are identified, do not use the product.
- Follow all local regulations and guidelines regarding the use of firearm components and accessories.
- Be aware of your surroundings when using the barrel blanks and ensure that you are in a safe environment.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the barrel blanks.
- Do not attempt to modify or alter the barrel blanks in any way, as this can compromise safety and performance.
- Ensure that all tools and equipment used in conjunction with the barrel blanks are in good working condition.
- Use only compatible components and accessories with the barrel blanks to avoid potential hazards.
- If you are inexperienced or unsure about the use of barrel blanks, seek guidance from a qualified professional.

## Instructions for Installation and Usage

1. **Preparation:** Before installation, ensure you have the necessary tools and a clean working environment.
2. **Installation:**
  - Secure the barrel blank in a suitable vice or fixture to prevent movement.
  - Follow the manufacturer's instructions for attaching the barrel blank to the firearm.
  - Ensure that all fittings are tight and secure before proceeding.
3. **Usage:**
  - Use the barrel blank only with compatible ammunition specified for 22 caliber.
  - Always follow safe shooting practices and local laws when using the firearm.
  - Regularly inspect the barrel for signs of wear or damage during use.

## Disposal Instructions

- Dispose of any unused or damaged barrel blanks in accordance with local regulations.
- Do not dispose of barrel blanks in regular household waste.
- Contact local waste management authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product usage, please contact the manufacturer or your local authority. Always refer to the manufacturer's guidelines for additional support.

## **Conclusion**

Your safety is our priority. By following the guidelines provided in this document, you can ensure the safe handling and use of the Bartlein Barrels Single Point Cut Rifled Barrel Blanks. Thank you for your attention to these important safety instructions.
