

# SINGLE POINT CUT RIFLED BARREL BLANKS - BARTLEIN BARRELS 6.5MM 1-8.5" TWIST 31" HEAVY VARMINT BARREL BLANK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Blanks](#)

Bartlein is a barrel maker owned and operated by shooters who have been involved in barrel making for many years. They built state-of-the-art cut rifling machines which Bartlein says can hold uniform twist rates to the 4th decimal point. Several nationally known benchrest shooters shoot Bartlein barrels. Bartlein Barrels only uses single point cut style rifling, no buttong rifling and no broach cutting. All barrels are prelapped/honed before rifling and finish lapped after rifling.

Bartlein SS 6.5mm HV 1-8.5" Twist 31" Barrel Blank

## Attributes

# Safety Instruction Guide for Bartlein Barrels 6.5mm Heavy Varmint Barrel Blank

## Introduction

Thank you for choosing the Bartlein Barrels 6.5mm Heavy Varmint Barrel Blank. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that all users are familiar with the safety guidelines outlined in this document.
- Always handle the barrel blank with care to avoid injury.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the barrel blank.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the barrel blank for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearms and barrel modifications.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling may result in injury.
- Using the barrel blank without proper installation may lead to malfunction.

- **Avoiding Hazards:**

- Always ensure the barrel blank is securely mounted before use.
- Do not attempt to modify the barrel blank without proper knowledge and tools.
- Ensure that all tools and equipment used during installation are in good condition.
- Do not expose the barrel blank to extreme temperatures or moisture.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that you have the correct tools for installation, including a suitable live pilot if required.
2. Verify that the pilot is the appropriate size for the barrel blank. Note that a solid pilot may not fit.
3. Carefully mount the barrel blank onto your firearm according to the manufacturer's instructions.
4. Ensure that the barrel is aligned properly and securely fastened.

- **Usage:**

- Before firing, inspect the barrel blank to ensure it is free of obstructions.
- Follow the manufacturer's specifications for ammunition and load data.
- Always use the barrel blank in a safe and controlled environment.
- Be aware of your surroundings and ensure that the firing area is clear of people and animals.

## Disposal Instructions

- Dispose of any unused or damaged barrel blanks in accordance with local regulations.

- Do not dispose of the barrel blank in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further support or inquiries regarding the safety of this product, please refer to the contact details provided by the manufacturer or retailer. Ensure you have the product information available when seeking assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Bartlein Barrels 6.5mm Heavy Varmint Barrel Blank. Thank you for your attention to safety.
