

# EDGEWOOD FRONT BENCHREST BAGS - STANDARD FRONT BAG REINFORCED TOP, 3" FOREND

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

Edgewood front bags are constructed much like the rear bags with reinforced leather sides and heavy duty nylon tops. The inside corners feature sewn in nylon inserts to prevent the material from rolling under the stock. All Edgewood Front Bags are available for hunter stocks widths (2¼") or Benchrest stock widths (3"). Each of the two widths are offered in four different styles: Standard Bag, features ½" leather flaps extending along the bottom edges to be pinned under your rest top retaining bars. Or the flaps may be punched, notched, or cut away all together to custom fit your rest. Standard Bag w/reinforced top, has an extra thick top to hold desired forend shape. Farley Bag, which is narrower than the Standard Bag from front to back to specifically fit the Farley Co-Axial and Co-Axial II rests only. Farley Bag w/reinforced top, has an extra thick top to hold desired forend shape. These bags fit old style pre-2009 Farley tops only. New style bags also available.

# Safety Instruction Guide for EDGEWOOD FRONT BENCHREST BAGS

## Introduction

Thank you for choosing the EDGEWOOD FRONT BENCHREST BAGS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the benchrest bags.

## General Safety Guidelines

- Always inspect the product before use. Ensure there are no visible defects or damage.
- Use the bags only for their intended purpose. They are designed for use with firearms and should not be used for any other activities.
- Keep the bags out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Store the bags in a dry and safe location when not in use.

## Specific Safety Precautions for Use

- Ensure that the bag is filled with Extra Heavy Bag Sand only. Using other materials may compromise safety and performance.
- Do not exceed the recommended weight limit for the bag. Overloading can cause damage or failure.
- When using the bag, ensure it is stable and secure on the rest to prevent slipping or tipping.
- Avoid placing your hands or body in front of the firearm while using the bag.
- Always treat firearms as if they are loaded, even when they are not.

## Instructions for Installation and Usage

### 1. Filling the Bag:

- Use Extra Heavy Bag Sand to fill the bag.
- Use a small funnel to help with filling.
- Ensure the bag is filled to a level that provides stability but does not overflow.

### 2. Using the Bag:

- Position the bag on a stable surface or rest.
- Place your firearm securely on top of the bag.
- Adjust the bag as necessary to achieve the desired height and angle for shooting.

### 3. Adjusting the Flaps:

- The Standard Bag features leather flaps that can be pinned under your rest top retaining bars.
- You may also customize the flaps by punching, notching, or cutting them to fit your rest.

### 4. Maintenance:

- Regularly check the bag for wear and tear.
- Clean the exterior with a damp cloth. Avoid using harsh chemicals that may damage the material.

## **Disposal Instructions**

- Dispose of the bag responsibly.
- If the bag is damaged beyond repair, check local regulations for proper disposal methods.
- Recycle materials where possible, such as leather and nylon, according to local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the EDGEWOOD FRONT BENCHREST BAGS, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your EDGEWOOD FRONT BENCHREST BAGS. Always prioritize safety and adhere to local laws and regulations when using firearms and related accessories.
