Safety Instruction Guide for Bushing Bump Neck Sizing Bushings

Introduction

Thank you for choosing the Bushing Bump Neck Sizing Bushings from Forster Products, Inc. This guide is designed to provide you with essential safety information and instructions for the safe use of this product. It complies with the EU General Product Safety Regulation (GPSR) to ensure your safety and satisfaction.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the Bushing Bump Neck Sizing Bushings only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to use these bushings with products from other brands, as they are not interchangeable.
- Ensure that the bushing is properly installed before use to avoid accidents.
- Avoid using excessive force during the resizing process to prevent damage to the bushing or the die.
- Wear safety glasses and appropriate personal protective equipment while using the product.
- If you notice any unusual noises or resistance while using the bushings, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the workspace is clean and free from obstructions.

2. Installation:

- Carefully remove the bushing from its packaging.
- Insert the bushing into the Forster Precision Plus Bushing Bump Die according to the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely.

3. Usage:

- Adjust the die to the desired setting as per your reloading requirements.
- Place the cartridge case into the die and apply steady pressure to resize.
- Avoid applying excessive force; let the die do the work.
- After resizing, remove the cartridge case and inspect it for any issues.

4. PostUsage Care:

- Clean the bushing after each use to maintain its performance.
- Store the bushing in a dry place, away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, recycle it if possible.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product recalls, please contact Forster Products, Inc. through their official channels. Ensure that you have the product details available when reaching out for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we hope you enjoy using the Bushing Bump Neck Sizing Bushings from Forster Products, Inc.
