# Safety Instruction Guide for BUSHING BUMP NECK SIZING BUSHINGS

## Introduction

Thank you for choosing the BUSHING BUMP NECK SIZING BUSHINGS. This guide provides essential safety information and instructions for the proper use of the product. It is important to follow these guidelines to ensure safe operation and to maximize the lifespan of your bushing.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only with compatible Forster Precision Plus Bushing Bump Dies.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage or wear before each use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the bushing is properly installed before use to prevent accidents.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the bushing.
- Do not exceed the recommended sizing limits; the bushing is designed for specific diameters (.281 to .343 inches).
- Avoid using the bushing for purposes other than neck sizing; misuse can lead to damage or injury.
- Store the bushing in a dry, cool place to prevent corrosion or deterioration.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Forster Precision Plus Bushing Bump Die is clean and free of debris.
- Select the appropriate bushing size (.310 diameter) for your application.
- Insert the bushing into the die, ensuring it is seated properly.
- Tighten the bushing securely to avoid movement during operation.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Follow the manufacturer's instructions for the die setup.
- Adjust the die to the desired depth for neck sizing.
- Operate the press slowly and steadily, ensuring that the bushing properly sizes the neck of the case.
- After use, remove the bushing from the die and clean it according to the maintenance instructions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the bushing is damaged or worn beyond use, consider recycling options where available.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, usage, or product support, please reach out to your local Forster Products representative or check the official Forster website for additional resources.

By following these guidelines, you can ensure the safe and effective use of the BUSHING BUMP NECK SIZING BUSHINGS. Thank you for your attention to safety and proper usage.
