Bushing Bump Neck Sizing Bushings Safety Instruction Guide

Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only with Forster Precision Plus Bushing Bump Dies.
- Do not attempt to interchange the bushings with other brands, as this may result in improper functioning and potential hazards.
- Always handle the bushings with care to avoid damage.
- Keep the bushings out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the bushings only as intended and according to the manufacturer's instructions.
- Always wear appropriate safety gear, such as safety glasses, when using the bushings.
- Inspect the bushings for any signs of wear or damage before each use.
- Do not exceed the recommended sizing limits as specified by the manufacturer.
- Ensure that the work area is clean and free of distractions to maintain focus during use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and equipment before beginning the installation process.
- Ensure that the Forster Precision Plus Bushing Bump Die is clean and free of debris.

2. Installation:

- Carefully insert the bushing into the die according to the manufacturer's guidelines.
- Ensure that the bushing is securely in place before proceeding.

3. Usage:

- Follow the specific instructions provided with the Forster Precision Plus Bushing Bump Dies for optimal performance.
- Monitor the sizing process closely to ensure accuracy and safety.
- If any issues arise during use, stop immediately and assess the situation.

4. PostUsage:

- Clean the bushings after use to maintain their condition and performance.
- Store the bushings in a safe, dry place away from children and pets.

Disposal Instructions

- Dispose of the bushings in accordance with local regulations.
- Ensure that any damaged or worn bushings are disposed of safely to prevent potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Forster Bushing Bump Neck Sizing Bushings, please contact the manufacturer or your local distributor for assistance.

Thank you for ensuring your safety and the safety of others by following these guidelines. Enjoy your experience with the Forster Bushing Bump Neck Sizing Bushings!
