# Safety Instruction Guide for Forster Bushing Bump Neck Sizing Bushings

## Introduction

Thank you for choosing the Forster Bushing Bump Neck Sizing Bushings. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide before use to maximize safety and effectiveness.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is neck sizing of rifle brass cases.
- Always follow the manufacturer's instructions for use and maintenance.
- Store the product in a cool, dry place away from direct sunlight and moisture.
- Keep the product out of reach of children and pets to prevent accidents or misuse.
- Regularly inspect the product for signs of wear or damage. If damaged, discontinue use immediately.

## Specific Safety Precautions for Use

- Handle the bushings with care to avoid injury from sharp edges.
- Avoid applying excessive force during the sizing process to prevent damage to the bushing or the die.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using this product.
- Ensure that the work area is clean and free from clutter to avoid accidents.
- Do not use the bushings if they are frozen or have been subjected to extreme temperatures, as this may affect their performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have the correct Forster Precision Plus Bushing Bump Die compatible with the bushing.
- Gather all necessary tools and materials before starting.

### 2. Installation:

- Carefully remove the bushing from its packaging.
- Insert the bushing into the die following the manufacturer's instructions.
- Ensure that the bushing is seated properly and securely within the die.

### 3. Usage:

- Place the brass case into the shell holder of the reloading press.
- Adjust the die according to the specific requirements of your reloading setup.
- Apply smooth and consistent pressure to resize the neck of the brass case.
- After resizing, inspect the case to ensure it meets the desired specifications.

### 4. PostUse:

- Clean the bushing after each use to remove any debris or residue.
- Store the bushing in its original packaging or a designated storage container to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of bushings in regular household waste. Check for recycling facilities that accept metal components.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with your product packaging or on the official Forster website.

By following these safety instructions, you can ensure safe and effective use of the Forster Bushing Bump Neck Sizing Bushings. Your safety and satisfaction are our top priorities. Thank you for choosing Forster.
