

# DELUXE 3-DIE SETS - REDDING 9.3X62MM MAUSER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 9.3X62MM MAUSER 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 9.3X62MM MAUSER 3 DIE SET. This product is designed to provide you with highquality ammunition reloading capabilities. To ensure your safety and the proper use of this product, please carefully read and follow the safety guidelines and instructions outlined in this guide.

## General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when reloading ammunition.
- Ensure that your reloading area is wellventilated and free from any flammable materials.
- Keep your reloading tools and components out of reach of children and unauthorized users.
- Familiarize yourself with the specifications and operation of the die set before use.
- Regularly inspect all components for wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards associated with reloading, such as the risk of accidental discharge and exposure to lead.
- **Proper Handling:** Always handle the dies with care. Avoid dropping or mishandling them, as this can lead to damage and affect their performance.
- **Correct Setup:** Ensure that the dies are correctly set up according to the manufacturer's instructions before use. Incorrect setup can lead to unsafe ammunition.
- **Storage:** Store the die set in a dry, cool place to prevent rust and corrosion. Use the provided die box for safe storage.
- **Decapping Pin:** Handle the spare decapping pin with care, as it can be sharp. Keep it stored safely when not in use.
- **Shellholder:** Use the appropriate shellholder for your specific cartridge. A mismatched shellholder can lead to improper functioning.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the die set and inspect all components for any damage.
- Install the fulllength sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height for your specific cartridge.
- Install the neck sizing die and seating die in the same manner.
- Ensure that all dies are tightened securely in place.

### 2. Usage:

- Begin by resizing your brass cases using the fulllength sizing die.
- After resizing, use the neck sizing die if necessary, depending on your reloading preferences.
- Next, prepare the cases for seating by ensuring they are clean and free of debris.
- Use the seating die to properly seat the bullets according to your specifications.
- Always doublecheck your measurements and load data before proceeding with reloading.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw away unused or excess powder or primers in regular trash. Follow local guidelines for hazardous waste disposal.
- Recycle packaging materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure you have your product details and any relevant information at hand when reaching out for assistance.

Thank you for taking the time to read this safety instruction guide. Following these guidelines will help ensure a safe and effective reloading experience with your DELUXE 3DIE SETS REDDING 9.3X62MM MAUSER 3 DIE SET.
