

PISTOL 'M' DIES - LYMAN .380-9MM NECK EXPANDING M DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Expands and flares the case mouth to help ensure consistent bullet seating during reloading. Two-step operation gives brass a longer service life because it doesn't stretch the case like a standard expander button. When used to reload cast bullets it prevents "shaving" bullet material during seating. Hardened steel, heat treated to Rc 50 and hand polished before and after to an 8 RMS finish. Shellholder not included.

PISTOL 'M' DIES LYMAN .3809MM NECK EXPANDING M DIE Safety Instruction Guide

Introduction

Thank you for choosing the PISTOL 'M' DIES LYMAN .3809MM NECK EXPANDING M DIE. This product is designed to enhance your reloading experience by expanding and flaring the case mouth, ensuring consistent bullet seating. It is important to follow safety guidelines and instructions to ensure safe and effective use of this product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the die only for its intended purpose as specified in the product description.
- Keep the die and all reloading equipment out of reach of children and unauthorized users.
- Inspect the die for any damage before use. Do not use if damaged.
- Wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Ensure your workspace is clean and organized to prevent accidents.
- Follow local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Risk of injury from sharp edges or moving parts.
 - Risk of improper bullet seating leading to misfires or accidents.
- **To Avoid Hazards:**
 - Handle the die with care to avoid cuts or injuries.
 - Ensure that the die is properly installed in your reloading press before use.
 - Do not exceed recommended load specifications when reloading.
 - Always doublecheck that the die is clean and free from obstructions before use.
 - Never attempt to modify the die or use it in a manner not specified in the instructions.
- **AgeSpecific Warnings:**
 - This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is securely mounted and stable.
 2. Carefully insert the die into the reloading press, ensuring it is seated properly.
 3. Tighten the die using the appropriate wrench, ensuring it is secure but not overly tightened to avoid damage.
 4. Install the appropriate shellholder (not included) for the .380 Auto (ACP) cartridge.
- **Usage:**
 1. Prepare your brass cases by cleaning and inspecting them for damage.
 2. Place the brass case into the shellholder of the reloading press.

3. Operate the press to expand and flare the case mouth using the die.
4. Check the case mouth to ensure it is properly flared for bullet seating.
5. Proceed with reloading according to your bullet and powder specifications.
6. After use, clean the die to remove any residue and store it in a safe place.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the PISTOL 'M' DIES LYMAN .3809MM NECK EXPANDING M DIE, please refer to the product packaging or visit the manufacturer's website for further assistance. Ensure you have the product details and any relevant information ready when seeking support.

By following these guidelines and instructions, you can ensure a safe and efficient reloading experience with the PISTOL 'M' DIES LYMAN .3809MM NECK EXPANDING M DIE. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
