

# BULLET SIZING DIES - Sizing Die .225 Dia

[Reloading](#) > [Bullet Casting](#) > [Lube & Sizer Dies](#)

Sizing dies feature 90° hole spacing to make bullet lubrication an easy task, even with hard lubricant formulas. Tapered mouth and hardened internal surface ensure proper alignment to deliver a perfect cylindrical shape to your cast bullets. Warning: Melting lead and casting lead objects will expose you and others in the area to lead, which is known to cause birth defects, other reproductive harm and cancer. See Instructions on Reducing Exposure supplied with product.

## Attributes

- Name: [Sizing Die .225 Dia](#)
- Manufacturer: [LYMAN](#)
- Product no.: 749012506
- Mfr. No.: 2766463
- Diameter (in): .225
- Delivery weight: 0.068kg
- Shipping height: 28mm
- Shipping width: 66mm
- Shipping length: 126mm
- UPC: 011516264633

# BULLET SIZING DIES Sizing Die .225 Dia Safety Instruction Guide

## Introduction

Thank you for choosing the BULLET SIZING DIES Sizing Die .225 Dia. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the product to minimize risks and enhance your safety.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the product is used in a wellventilated area to minimize exposure to fumes.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Lead Exposure Warning:** Melting lead and casting lead objects can expose you and others in the area to lead, which is known to cause birth defects, other reproductive harm, and cancer.
- **Protective Gear:** Always wear appropriate protective gear, such as gloves and a mask, when handling lead or using the sizing die.
- **Avoid Ingestion and Inhalation:** Do not eat, drink, or smoke in the area where lead is handled. Wash hands thoroughly after use.
- **Proper Ventilation:** Ensure adequate ventilation when using this product to avoid inhalation of harmful fumes.
- **Storage:** Store the product in a cool, dry place away from direct sunlight and moisture.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your workspace is clean and organized.

### 2. Installation:

- Securely mount the sizing die to your reloading press according to the manufacturer's instructions.
- Check that the die is properly aligned to ensure accurate sizing of bullets.

### 3. Using the Sizing Die:

- Insert the bullet into the die, ensuring that it is positioned correctly.
- Apply consistent pressure to the handle of the reloading press to size the bullet.
- Inspect the sized bullet for uniformity and proper cylindrical shape.

### 4. PostUse Care:

- Clean the sizing die after each use to prevent buildup of lubricant or lead.
- Store the die in its original packaging or a protective case to avoid damage.

## Disposal Instructions

- Dispose of any lead waste or materials according to local regulations for hazardous waste.
- Do not dispose of lead in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with the product packaging.
