

PLATED 45 CALIBER (0.452") BULLETS - BERRYS MANUFACTURING 45 ACP (.452") 185GR HOLLOW BASE ROUND NOSE 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Berry's lead bullets are totally enclosed in 100% pure copper plating to cut down on airborne lead and reduce fouling, while costing much less than jacketed projectiles. Each bullet is swaged to size and weight, plated, and then swaged again to the specified diameter. Suitable for all standard pistol velocities.

Attributes

Safety Instruction Guide for PLATED 45 CALIBER (0.452") BULLETS

Introduction

Thank you for choosing Berry's Manufacturing 45 ACP (.452") 185GR Hollow Base Round Nose Bullets. This guide provides essential safety instructions and guidelines to ensure safe handling, usage, and disposal of the product. Please read this guide carefully before using the bullets.

General Safety Guidelines

- Always handle ammunition and components with care to prevent accidents.
- Ensure that all users are familiar with firearm safety principles.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of the reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for product recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses and gloves when handling bullets to protect against potential hazards.
- **Ventilation:**
 - Ensure adequate ventilation in the area where bullets are handled or loaded to minimize inhalation of any airborne particles.
- **Avoid Ingestion:**
 - Do not eat or drink in the area where bullets are handled to prevent accidental ingestion of lead or other materials.
- **Check for Damage:**
 - Inspect bullets for any signs of damage before use. Do not use damaged or deformed bullets.
- **Follow Firearm Manufacturer Guidelines:**
 - Always consult the firearm's user manual for compatibility with bullet specifications.

Instructions for Installation and Usage

- **Loading Bullets:**
 - Ensure the firearm is unloaded before loading bullets.
 - Follow the manufacturer's instructions for your specific firearm model.
 - Use a proper reloading press and tools designed for .45 caliber bullets.
- **Shooting:**
 - Always use the bullets in a safe shooting environment, following all local laws and regulations.

- Ensure that the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstacles.

- **Cleaning:**

- After use, clean the firearm according to the manufacturer's instructions to remove any residue and fouling.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the use of Berry's Manufacturing bullets, please refer to the appropriate contact points provided by your retailer or manufacturer.

By following these guidelines, you can ensure a safe and enjoyable experience with your Berry's Manufacturing 45 ACP bullets. Always prioritize safety and compliance with local regulations. Thank you for your attention to these important safety instructions.
