Safety Instruction Guide for BENCH TOP TOOL HOLDER

Introduction

Thank you for choosing the BENCH TOP TOOL HOLDER by Sinclair International. This guide provides essential safety instructions to ensure safe and effective use of the tool holder. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure the tool holder is placed on a stable and level surface.
- Keep the tool holder away from children and vulnerable individuals.
- Regularly inspect the tool holder for any signs of wear or damage.
- Do not overload the tool holder beyond its intended capacity.
- Use the tool holder only for its intended purpose, which is to store and organize tools.
- Follow all local regulations regarding the use and disposal of wooden products.

Specific Safety Precautions for Use

- Ensure that tools are securely placed in the designated holes to prevent them from falling.
- Do not use the tool holder for storing heavy or oversized tools that exceed the specified dimensions.
- Avoid placing the tool holder near edges or unstable surfaces where it may fall.
- Be cautious when handling tools stored in the holder to prevent accidental cuts or injuries.
- Do not use the tool holder in wet or humid environments to prevent damage to the wood.

Instructions for Installation and Usage

1. Installation:

- Place the tool holder on a clean, dry, and flat workbench.
- Ensure that the four noskid felt pads are positioned on the corners to provide stability.
- Check that the tool holder is level and does not wobble.

2. Usage:

- Insert tool handles or driver shanks into the holes, ensuring they fit securely.
- Use the 9½" long channel for storing small parts and tools to keep them organized.
- Regularly clean the tool holder with a dry cloth to maintain its appearance and functionality.

Disposal Instructions

- When the tool holder reaches the end of its life, dispose of it in accordance with local waste management regulations.
- If the tool holder is damaged, consider recycling the wood if permitted by local guidelines.
