Safety Instruction Guide for .17 & .20 CAL Drop Tube Adapter

Introduction

Thank you for choosing the .17 & .20 CAL Drop Tube Adapter by Redding. This product is designed to enhance your reloading experience by allowing Redding Powder Measures to dispense powder into .17 to .20 caliber cases. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always handle the product with care and keep it out of reach of children and vulnerable individuals.
- Regularly inspect the Drop Tube Adapter for any signs of damage or wear before each use.
- If you encounter any issues during use, cease operation immediately and consult the troubleshooting section or seek professional assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Using the Drop Tube Adapter improperly may lead to powder spills, which can pose fire hazards.
- Improper installation may result in damage to the powder measure or the adapter itself.

- **Avoiding Hazards:**

- Always ensure that the adapter is securely attached to the powder measure before use.
- Do not exceed the recommended powder capacity for .17 and .20 caliber cases.
- Use the adapter in a wellventilated area to minimize inhalation of any powder dust.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling powders.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision if minors are present.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the powder measure is empty and clean before installation.
2. Align the Drop Tube Adapter with the opening of the powder measure.
3. Firmly press the adapter into place until you hear a click, indicating a secure fit.
4. Verify that the adapter is stable and does not wobble or move.

- **Usage:**

1. Fill the powder measure with the appropriate powder for .17 or .20 caliber cases.
2. Place the adapter over the case mouth, ensuring a snug fit.
3. Dispense the powder by operating the powder measure according to the manufacturer's instructions.
4. After use, remove the adapter and clean it thoroughly to prevent powder residue buildup.

Disposal Instructions

- Dispose of the Drop Tube Adapter in accordance with local regulations.
- Do not dispose of any unused powders or hazardous materials in regular trash. Instead, consult local waste management services for safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the .17 & .20 CAL Drop Tube Adapter, please reach out to the designated EU contact point provided on the product packaging or visit the manufacturer's website for more information.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your .17 & .20 CAL Drop Tube Adapter. Always keep safety as a top priority, and do not hesitate to seek assistance if needed. Thank you for your attention to these important guidelines.
