# Safety Instruction Guide for LUBEAMATIC2 LUBE AND SIZER DIES RCBS 0.311" BULLET SIZING DIE

## Introduction

Thank you for choosing the RCBS LubeAMatic2 Lube and Sizer Dies. This product is designed to make the process of lubricating and sizing cast bullets efficient and effective. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards such as sharp edges and moving parts.
- **Protective Gear:** Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses while using the product.
- **Work Area:** Ensure that your work area is clean, welllit, and free from clutter to prevent accidents.
- **Handling:** Handle the dies with care to avoid injury. Do not use excessive force when operating the product.
- **Maintenance:** Regularly clean and maintain the dies to ensure they remain in good working condition.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the LubeAMatic2 Lube and Sizer Dies from the packaging.
- Inspect the dies for any visible damage or defects.
- Attach the dies to the RCBS LubeAMatic2 Bullet Sizer/Lubricator or the Lyman 450/4500 Lube Sizer according to the manufacturer's instructions.
- Ensure that all connections are secure before proceeding.

### 2. Usage:

- Prepare your cast bullets for sizing and lubricating.
- Insert the bullets into the die and ensure they are properly aligned.
- Operate the LubeAMatic2 according to the manufacturer's guidelines to lubricate and size the bullets.
- After use, clean the dies to remove any residue and maintain their performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product becomes damaged beyond repair, dispose of it in a manner that complies with local waste management guidelines.
- Do not dispose of the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the RCBS LubeAMatic2 Lube and Sizer Dies, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy using your RCBS LubeAMatic2 Lube and Sizer Dies safely and effectively!
