PRO CHUCKER 5 SHELLPLATES Safety Instruction Guide

Introduction

Thank you for choosing the PRO CHUCKER 5 SHELLPLATES. This guide provides essential safety instructions to ensure the safe use of the RCBS Pro Chucker 5 Progressive Reloading Press Shellplate #6. Please read this guide carefully before using the product to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that all components are in good working condition before use.
- Always follow the manufacturer's instructions for safe operation.
- Keep the workspace clean and free from obstructions.
- Use the product only for its intended purpose.
- Store the product in a dry, cool place away from children and pets.
- Regularly check for wear and tear on the shellplates and other components.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the reloading press.
- Keep hands and body clear of moving parts during operation.
- Do not exceed the manufacturer's recommended load limits.
- Ensure that the reloading press is securely mounted to a stable workbench.
- Avoid distractions while operating the equipment.
- If you are new to reloading, seek guidance from experienced users or professional training.

Instructions for Installation and Usage

Installation

1. Prepare the Workspace:

- Ensure your workbench is stable and clean.
- Gather all necessary tools and components.

2. Attach the Shellplate:

- Align the shellplate with the mounting points on the RCBS Pro Chucker 5.
- Secure the shellplate using the provided screws, ensuring it is firmly attached.

3. Check Alignment:

- Rotate the shellplate to ensure it moves freely and aligns correctly with the reloading press.

Usage

1. Loading the Shellplate:

- Insert the appropriate cartridges into the shellplate, ensuring they are seated correctly.
- Doublecheck that the cartridges match the specifications for the shellplate (e.g., 357 Magnum, 38

Special, etc.).

2. Operating the Press:

- Follow the manufacturer's instructions to operate the reloading press.
- Monitor the process closely to ensure everything is functioning as expected.

3. PostUsage Care:

- After use, clean the shellplate and surrounding area to remove any debris.
- Inspect the shellplate for any signs of damage or wear.

Disposal Instructions

- Dispose of any damaged or worn shellplates in accordance with local regulations.
- Ensure that all components are disposed of in an environmentally friendly manner.
- If unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the PRO CHUCKER 5 SHELLPLATES, please refer to the manufacturer's website or contact their support team for assistance.

Thank you for prioritizing safety while using the PRO CHUCKER 5 SHELLPLATES. Your careful attention to these guidelines will help ensure a safe and effective reloading experience.
