Safety Instruction Guide for PRO CHUCKER 5 SHELLPLATES

Introduction

Thank you for choosing the PRO CHUCKER 5 SHELLPLATE #10 by RCBS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shellplates. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the shellplates by adhering to all instructions and warnings.
- Always inspect the shellplates for any signs of damage before use. Do not use damaged shellplates.
- Keep the shellplates out of reach of children and vulnerable individuals.
- Use the shellplates only with the RCBS Pro Chucker 5 Progressive Reloading Press.
- Follow all local laws and regulations related to reloading ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure the reloading press is turned off and unplugged.
- Always wear safety glasses when using reloading equipment to protect your eyes from debris.
- Keep your workspace clean and organized to avoid accidents.
- Do not exceed the recommended cartridge specifications for the shellplates.
- Ensure that your hands are dry and clean when handling the shellplates to prevent slippage.
- Avoid distractions while using the reloading press and shellplates.
- If you are unfamiliar with reloading processes, seek guidance from experienced users or instructional materials.

Instructions for Installation and Usage

1. Installation of Shellplates:

- Ensure the RCBS Pro Chucker 5 is turned off and unplugged.
- Locate the shellplate holder on the press.
- Align the shellplate #10 with the holder, ensuring it fits snugly.
- Secure the shellplate in place according to the manufacturer's instructions.

2. Using the Shellplates:

- Load the appropriate cartridge into the shellplate, ensuring it is seated correctly.
- Follow the reloading procedure outlined in the RCBS Pro Chucker 5 manual.
- Monitor the reloading process closely, checking for any malfunctions or irregularities.
- After use, remove the shellplates and clean them according to the maintenance instructions.

Disposal Instructions

- Dispose of any damaged or worn shellplates according to local waste management regulations.
- Do not dispose of shellplates in regular household waste if they are contaminated with hazardous materials.
- Consider recycling options if available, ensuring that the shellplates are clean and free from any residues.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated EU contact point provided by the manufacturer. Always ensure that you have the product information and any relevant details ready for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we wish you a successful reloading experience with the PRO CHUCKER 5 SHELLPLATES.
