

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 26 NOSLER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Redding Type S Match Bushing Full Die Set Safety Instruction Guide

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This product is designed to provide precision and accuracy in the reloading process. It is essential to follow all safety guidelines to ensure safe and effective use of this product. This guide outlines important safety instructions, precautions, and best practices to help you use your die set safely and effectively.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Keep the die set out of reach of children and unauthorized users.
- Use the die set only for its intended purpose, which is reloading 26 Nosler cartridges.
- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Ensure your work area is welllit and free from clutter to reduce the risk of accidents.
- Store the die set in a dry, cool place when not in use to prevent rust and damage.

Specific Safety Precautions for Use

- Handle all reloading components, including brass cases and bullets, with care to avoid injury.
- Be cautious with the use of lubricants and cleaning agents; ensure they are suitable for use with reloading equipment.
- Avoid using excessive force when resizing cases; this can lead to equipment failure and potential injury.
- Always follow the manufacturer's recommended settings for bushing size and neck tension.
- Do not exceed recommended load limits when using the die set to prevent dangerous overpressure situations.
- If you experience any unusual sounds or resistance while using the die set, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Gather all necessary components: Redding Type S Bushing Full Sizing Die, Competition Seating Die, bushings, brass cases, and bullets.

2. Installing the Sizing Die:

- Insert the Type S Bushing Full Sizing Die into the reloading press.
- Adjust the die height according to the manufacturer's instructions to ensure proper sizing of the cases.
- Select the appropriate bushing for your desired neck tension and install it in the die.

3. Resizing Cases:

- Lubricate the brass cases lightly to prevent sticking in the die.
- Insert the lubricated case into the press and operate the handle to resize the case.
- Inspect the resized case for any defects before proceeding.

4. Seating Bullets:

- Install the Competition Bullet Seating Die in the press.
- Adjust the seating depth according to your specifications using the micrometer.
- Place a bullet on the mouth of the case and operate the press to seat the bullet.

5. Final Inspection:

- After reloading, inspect each cartridge for proper seating and overall condition.
- Store completed cartridges in a safe and organized manner.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away used brass cases or other reloading materials in regular trash; check for recycling options.
- Ensure that any hazardous materials, such as lubricants or solvents, are disposed of following local environmental regulations.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Die Set. Always prioritize safety and take the necessary precautions when handling reloading equipment.
