

COMPETITION SEATER DIES - REDDING 26 NOSLER BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

Safety Instruction Guide for Redding Competition Seater Die

Introduction

Thank you for choosing the Redding Competition Seater Die for your reloading needs. This guide provides essential safety instructions and usage recommendations to ensure a safe and effective reloading experience. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle all reloading equipment with care and attention.
- Ensure that you are familiar with the operation of your reloading press and the specific die you are using.
- Keep the workspace clean and free from clutter to prevent accidents.
- Store all reloading components, including the die, in a secure location away from children and pets.
- Follow all local laws and regulations regarding the use and storage of ammunition and reloading components.

Specific Safety Precautions for Use

- Use the die only with the specified cartridge, which is the 26 Nosler.
- Wear appropriate safety gear, including safety glasses, to protect your eyes from potential debris.
- Ensure that the die is properly installed in the reloading press before use.
- Do not exceed recommended load limits when using the die for bullet seating.
- Avoid distractions while reloading to maintain focus on the task at hand.
- Regularly inspect the die for wear and damage. If any issues are detected, discontinue use immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Remove any previous dies from the press.
- Carefully screw the Redding Competition Seater Die into the press, ensuring it is tightened securely but not overtightened to avoid damage.
- Adjust the die to the desired seating depth using the micrometer feature.

2. Usage:

- Prepare your cases and ensure they are clean and free of obstructions.
- Place a bullet on the case mouth and insert it into the die.
- Operate the press smoothly to seat the bullet to the desired depth.
- After seating, check the overall length of the cartridge to ensure it meets specifications.
- If adjustments are needed, use the micrometer to make fine adjustments in .001" increments.

Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not dispose of reloading components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Seater Die, please refer to the manufacturer's website or your local authorized dealer for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and successful reloading experience with the Redding Competition Seater Die. Always prioritize safety and stay informed about best practices in reloading. Thank you for your purchase, and happy reloading!
