

DELUXE 3-DIE SETS - REDDING 28 NOSLER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 28 NOSLER 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 28 NOSLER 3 DIE SET. This product is designed to assist you in reloading ammunition safely and effectively. Please read this safety instruction guide carefully to ensure the safe use of the product and to understand the necessary precautions.

General Safety Guidelines

- Always handle ammunition and reloading equipment with care.
- Ensure you are in a wellventilated area when using the die set.
- Keep the die set and all reloading components out of reach of children.
- Follow all local laws and regulations regarding ammunition and reloading.
- Regularly check for any recalls or safety updates related to this product on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Inspect the die set before each use for any signs of wear or damage.
- Use the die set only for its intended purpose as described in the instructions.
- Do not exceed the recommended load specifications for your ammunition.
- Avoid using the die set if you are tired, distracted, or under the influence of drugs or alcohol.

Instructions for Installation and Usage

1. Setup:

- Ensure your reloading press is clean and free from debris.
- Securely mount the reloading press to a stable work surface.

2. Installing the Dies:

- Remove the die set from its packaging.
- Install the fulllength sizing die in the reloading press by following these steps:
 - Thread the die into the press until it is snug.
 - Lock the die in place using the locking ring.
- Repeat the above steps for the standard seating die and the neck sizing die.

3. Using the Dies:

- Start with the fulllength sizing die:
 - Insert the brass case into the shell holder.
 - Raise the ram to resize the case.
- Next, use the neck sizing die:
 - Follow the same procedure as above to resize the neck of the case.
- Finally, use the standard seating die:
 - Place a bullet on the case mouth and lower the ram to seat the bullet to the desired depth.

4. After Use:

- Clean the dies to remove any residue.

- Store the die set in the provided die box, along with the spare decapping pin and hex wrench.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of any reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the DELUXE 3DIE SETS REDDING 28 NOSLER 3 DIE SET, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for additional resources.

Please ensure you follow these safety instructions carefully to ensure a safe and effective reloading experience. Thank you for your attention to safety!
