

SEATER DIES - REDDING SEATING DIE 28 NOSLER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

SEATER DIES REDDING SEATING DIE 28 NOSLER

Safety Instruction Guide

Introduction

Thank you for choosing the SEATER DIES REDDING SEATING DIE 28 NOSLER. This guide provides essential safety instructions to ensure the safe use of this product. Please read this manual carefully before use to understand the proper handling and precautions necessary for your safety.

General Safety Guidelines

- Always ensure that the die is used in accordance with the manufacturer's instructions.
- Keep the die and all related equipment out of reach of children and vulnerable individuals.
- Inspect the die regularly for wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling or using the die.
- Store the die in a dry, secure place to prevent accidental damage or misuse.

Specific Safety Precautions for Use

- Ensure that the die is compatible with the specific cartridge (28 Nosler) you intend to use.
- Do not exceed the recommended load specifications for the cartridge.
- Always use the die in a wellventilated area to avoid inhaling any fumes or particles.
- Avoid using the die if you are tired, distracted, or under the influence of drugs or alcohol.
- Follow the recommended procedures for cleaning and maintaining the die to prevent malfunctions.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the SEATER DIE into the press according to the manufacturer's instructions.
- Adjust the seating depth using the provided seating plug as necessary.

2. Usage:

- Prepare your cartridges and ensure they are clean and free from obstructions.
- Place the cartridge in the die and apply steady pressure to the press handle.
- Monitor the seating depth and make adjustments as needed to achieve the desired result.
- After use, clean the die with a suitable cleaner and store it properly.

Disposal Instructions

- Dispose of any damaged or unusable dies in accordance with local regulations.
- Recycle materials where possible, following your local waste management guidelines.

Contact Information for Further Support

For any inquiries related to safety or product performance, please refer to the manufacturer's contact information provided with your product packaging.

Please remember that your safety is paramount. If you encounter any issues or have concerns regarding the use of the SEATER DIES REDDING SEATING DIE 28 NOSLER, do not hesitate to seek professional advice or

assistance. Always prioritize safety when reloading ammunition.
