

# MASTER HUNTER DIE SETS - REDDING 26 NOSLER HUNTER DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Master Hunter series combines Redding's proven Competition Seating Die with a full-length sizing die that lets the hunter load exceptionally consistent ammo to minimize risk of a stuck case or failure to feed that can hinder taking a follow up shot. Full-length sizing also enables use of any SAAMI-standard brand of case without having to resort to bushing sizer die. The result is precise bullet/case neck alignment and finely-tuned bullet seating that lets hunters achieve the utmost performance from their favorite loads.

# MASTER HUNTER DIE SETS REDDING 26 NOSLER HUNTER DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the Master Hunter Die Sets Redding 26 Nosler Hunter Die Set. This product is designed to help you achieve exceptional ammunition performance while ensuring your safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using the die set.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any damage before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling ammunition components.
- Be aware of your surroundings and ensure that you are in a safe environment when reloading ammunition.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the die set is compatible with the 26 Nosler cartridge before use.
- Do not attempt to modify the die set in any way, as this may lead to unsafe conditions.
- Always use the die set in accordance with the specified instructions to avoid the risk of stuck cases or failure to feed.
- Maintain a clean and organized workspace to minimize the risk of accidents.
- Store the die set in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Gather all necessary tools and components, including the die set, cases, bullets, and powder.

### 2. Installation:

- Install the fulllength sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to ensure proper contact with the shell holder when the ram is at the top of its stroke.
- Install the Competition Seating Die following the same procedure, ensuring it is adjusted for your preferred bullet seating depth.

### 3. Reloading Process:

- Begin with the fulllength sizing die to resize your cases. This will ensure compatibility with any SAAMI standard brand of case.
- After sizing, inspect the cases for any defects or damage.
- Proceed to charge the cases with the appropriate amount of powder as per your load data.
- Use the Competition Seating Die to seat the bullets to the desired depth, ensuring proper

bullet/case neck alignment.

#### **4. Final Inspection:**

- After reloading, inspect all completed cartridges for consistency and defects.
- Store completed ammunition in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or components in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the Master Hunter Die Sets Redding 26 Nosler Hunter Die Set, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Master Hunter Die Sets Redding 26 Nosler Hunter Die Set. Thank you for your attention to safety.
