

# 22 CALIBER TIPPED MATCHKING BULLETS - SIERRA BULLETS TIPPED MATCHKING 22 CALIBER (.224") 77GR PTBT 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra has enhanced a segment of the MatchKing line by adding the acetal resin tip, thus crowning the Tipped MatchKing (TMK) bullet line. The major advantage of adding a tip to the bullet is the reduction of drag, producing a more favorable ballistic coefficient. Another benefit is reliable feeding in magazine fed firearms. Although the MatchKing line is recognized around the world for record setting accuracy, like their untipped counterparts, Tipped MatchKing (TMK) bullets are not recommended for hunting anything larger than varmints. Having heavier jackets than our Hornet or Blitz line of bullets, these bullets will not provide the same explosive expansion on small varmints.

## Attributes

- Name: [SIERRA BULLETS TIPPED MATCHKING 22 CALIBER \(.224"\) 77GR PTBT 100/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749016104
- Mfr. No.: 7177
- Ballistic Coefficient (G1): 0.420

# Safety Instruction Guide for 22 Caliber Tipped MatchKing Bullets

## Introduction

Thank you for purchasing the 22 Caliber Tipped MatchKing Bullets by Sierra Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of these bullets. Please read this manual carefully before use.

## General Safety Guidelines

- Always handle ammunition and firearms with care and respect.
- Store ammunition in a cool, dry place, away from children and unauthorized users.
- Ensure that you are familiar with the firearm you are using and follow the manufacturer's instructions.
- Always wear appropriate eye and ear protection when shooting.
- Do not use these bullets for hunting anything larger than varmints, as they are not designed for such purposes.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is compatible with 22 caliber ammunition before use.
- Never point the firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or disassemble the bullets.
- Avoid using damaged or corroded ammunition.
- Always check for recalls and safety updates through official channels.

## Instructions for Installation and Usage

### 1. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Open the chamber and visually inspect to confirm it is empty.
- Load the Tipped MatchKing bullets into the magazine according to the manufacturer's guidelines.
- Close the chamber securely.

### 2. Firing the Bullets

- Position yourself comfortably and ensure a stable stance.
- Aim at the target and ensure a clear line of sight.
- Squeeze the trigger gently to fire the bullet.

### 3. PostFiring Procedures

- Once shooting is complete, unload the firearm in a safe area.
- Store the bullets in their original packaging or a suitable container.
- Clean your firearm according to the manufacturer's recommendations.

## **Disposal Instructions**

- Do not dispose of bullets in regular household waste.
- Contact your local waste management authority for guidance on hazardous waste disposal.
- Ensure that all bullets are disposed of safely to prevent accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of the 22 Caliber Tipped MatchKing Bullets, please refer to the official channels for assistance. Ensure you have the product details ready for any inquiries.

By following these guidelines, you can help ensure your safety and the safety of others while using 22 Caliber Tipped MatchKing Bullets. Thank you for prioritizing safety in your shooting activities.
