# VCROWN 9MM JACKETED HOLLOW POINT HANDGUN BULLETS SAFETY INSTRUCTIONS

## Introduction

Welcome to the safety instruction guide for the VCROWN 9MM (0.355") Jacketed Hollow Point Handgun Bullets by Sierra Bullets. This guide is designed to provide you with essential safety information to ensure the safe use of this product. Please read this guide carefully before handling or using the bullets.

## General Safety Guidelines

- Ensure that all safety precautions are followed when handling and using ammunition.
- Always store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only firearms that are designed for 9mm ammunition.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe backstop before firing.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of ammunition can lead to accidental discharge or injury.
- Bullets should not be exposed to extreme heat, moisture, or corrosive substances.

- **Avoiding Hazards:**

- Always handle bullets with care, treating them as if they are live ammunition.
- Do not attempt to modify or disassemble the bullets.
- Ensure that your firearm is in good working condition and properly maintained.
- Do not use damaged or corroded ammunition.

- **Audience Specific Warnings:**

- This product is intended for use by individuals who are legally permitted to own and use firearms.
- Keep this product away from children and individuals who are not trained in firearm safety.

## Instructions for Installation and Usage

- **Installation:**

- Ensure that your firearm is unloaded before handling ammunition.
- Load bullets according to the manufacturer's instructions for your specific firearm model.

- **Usage:**

- Always point the firearm in a safe direction when loading or unloading.
- Check the chamber to ensure it is clear before loading ammunition.
- Load one bullet at a time, following the recommended loading procedures for your firearm.
- After loading, store your firearm safely and securely until you are ready to use it.
- When ready to shoot, ensure that you are in a safe environment and that all safety measures are

in place.

## **Disposal Instructions**

- Dispose of unused or expired ammunition according to local regulations.
- Do not throw ammunition in regular trash or recycle bins.
- Contact local authorities or waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the product packaging or check with your retailer for contact details.

By following these safety instructions, you can help ensure a safe and enjoyable experience with the VCROWN 9MM Jacketed Hollow Point Handgun Bullets. Thank you for choosing Sierra Bullets.
